

Honoring Choices Massachusetts Health Care Planning Facilitator Course

We are pleased to offer exclusively to Honoring Choices Community Partners, and groups interested in becoming Partners*, a Health Care Planning Facilitator Course which provides comprehensive information and communication skills to help you:

- Lead health care planning discussions with individuals 18 years old and older;
- Host group discussion presentations for your colleagues and for the wider community;
- Increase understanding of Massachusetts laws and regulations to help adults, their Health Care Agents and Guardians, exercise their right to make choices & receive person-centered care;
- Implement our consumer focused ‘*Explore, Plan, Connect*’ health care planning model;
- Assist adults in creating & updating a health care plan using Massachusetts planning documents;
- Build a community network for collaborative care, Partner-to-Partner, Facilitator-to-Facilitator;
- Implement an effective, sustainable health care planning program in your group or organization.

Who Can Attend: Care professionals, nurses, health care staff, social workers, clergy, lay leaders, and *anyone* who engages adults in health care planning discussions. Your group or organization must be a Honoring Choices Community Partner to take this course.
