Honoring Choices Massachusetts and Beverly Hospital **invite you to—**

### **“Working Together with EMS for Quality Care that Honors Your Choices”**

#### **Special Guest Speaker:**

**Jonathan Brickett, Executive Director,**  
NorthEast Emergency Medical Services, Inc.,  
MA EMS Region 111

**Thursday, October 12, 8:30am–10:00am**  
8:00am–8:30am Networking and Coffee

**Beverly Hospital, Lecture Hall, 85 Herrick Street,  
Beverly, MA 01915**

All care providers are welcome to join us at the Honoring Choices North Shore Community Partner Regional Meeting. Come network with colleagues and hear a special presentation to improve your knowledge about EMS protocols and honoring MOLST and CC/DNR orders. Together, we'll create some guiding principles to align our protocols and procedures to ensure every adult on the North Shore gets quality care at home, on transfer and across all care settings.

#### **What You'll Learn**

- EMS protocols: What can EMS do? What must they do?
- How EMS honors a valid MOLST or CC/DNR order
- Up-to date information & tools on MOLST discussions
- Working together to align our protocols & procedures
