

Baystate Health Western MA Transitions in Care Cross Continuum (TICCC) and Honoring Choices **invite you to—**

MOLST: Meeting the Challenge

Tuesday, September 19, 2017 1:00pm-4:00pm

Baystate Health Education Center ♦ 361 Whitney Avenue, Holyoke, MA 01040

MOLST, Medical Orders for Life-Sustaining Treatment, is a powerful tool for frail and seriously ill adults, to make informed end of life care choices, record their choices, and be assured their choices will be honored at home, on transfer, and across all care settings.

Our challenge is to build a collaborative MOLST process that is responsive to an adult's changing health needs and that honors choices all through their health journey and at the end of life. Come be part of a unique forum to discuss best practices & implementation challenges to consistently know & honor an individual's choices at home, on transfer, and across all care settings.

We want you to have the opportunity to share your thoughts in order to provide a truly customized learning experience: Please fill out this Survey Monkey questionnaire (click on link:) https://www.surveymonkey.com/r/MOLST_Process_Survey **by July 14, 2017**. For more information, please call Jodi Kashouh, RN, MS, at (413) 794-3248. *Thank you for your time.*

Panelists

Deborah A Clapp, BA, I/C, NRP

Executive Director
Western MA EMS, Inc.
168 Industrial Drive
Northampton MA 01060

Darrell Villaruz

Manager of Health Policy
Health Care Safety and Quality
MA Department of Public Health
Darrell.Villaruz@state.ma.us

Following the panel, share your expertise and suggest ways to improve the MOLST form, 'build your team' to engage adults & families in discussions, and align your protocols & policy measures to consistently provide quality person-centered care. Together we'll generate shared guiding principles and next steps.

Be part of the discussion. Let's do this together.

What'll You Learn:

- Fact vs. Myth: MA law & state regulations
- MOLST Form: Understanding choices, making it valid
- Tools for effective, culturally sensitive discussions
- Strategies to align our protocols & policy measures

Register for the MOLST Meeting the Challenge here:

EMS CE Credit Information

Berkshire AHEC

Continuing Education Sponsor: Berkshire AHEC

Accreditation/Approval Information: This program has been approved for 2.5 Continuing Education Program Hours by the Massachusetts Department of Public Health, Office of Emergency Medical Services.

Successful Completion Requirements: Participants are expected to sign out at the conference, attend the entire program, and complete and submit the conference evaluation to receive a certificate. Certificates will be mailed to the address provided within 4-6 weeks of the conference date.

How to Receive Credits

Continuing education credits are now offered EMS for a total fee of \$31.00. To obtain CE credits, participants are required to register and pay at the Berkshire AHEC website: <http://www.berkshireahec.org/>. Click "Register" on the homepage and then select the *Sept 19 MOLST: Meeting the Challenge Workshop* and click "Add" next to the date/location that you attended. Click "Continue" to proceed through the registration process. There is no other obligation or fees but you may be asked to **opt out** of offers provided by the on-line service. Certificates will be mailed directly to the participant's address within 4 to 6 weeks after the program. You must register for credits by Nov. 6. Credits will not be available after this date. This registration is ONLY for CE credits, must complete all requirements for eligibility. **REGISTER FOR CREDITS TODAY @ <http://www.berkshireahec.org/>**
