

Let's Celebrate
April National Health Care Decisions Month!
Care Planning Tools & Ambassador Workshop

Thursday, March 22, 8:30am-10:30am
8:30am Registration & Networking; 9am-10:30am Workshop

Village at Proprietors Green • 10 Village Green Way, Marshfield, MA 02050
All Care Providers Welcome. Invite Your Volunteers!

Co-Hosted By

Old Colony Hospice & Palliative Care | Welch Senior Living | Village at Proprietors Green

Come join us for a unique workshop and receive tools to:

- Help adults create a Health Care Proxy & Personal Directive (Living Will);
- Host an event using the April NHDM Celebration Packet;
- Expand your reach! Bring a volunteer or board member to become a **Health Care Planning Ambassador** to start peer-to-peer planning discussions using the Who's Your Agent? Tool Kits.

Honoring Choices' President Ellen DiPaola and Ambassador Program Director Denise Skrocki will review the do-it-yourself planning tool kits all your staff can use to help adults make a health care plan. We'll share fun April event ideas & materials, and promote your events on the Honoring Choices website.

NEW Health Care Planning Ambassador Workshop. Bring a volunteer(s) or board member to learn how to engage adults & families in powerful person-to-person discussions. We'll supply everything you need to confidently talk with friends, family and people in your community about completing a Health Care Proxy & Personal Directive. [Read more here.](#)

Just curious?

All care providers are welcome to network with colleagues, receive the Honoring Choices Tool Kits and **April NHDM Celebration Packet**, and bring the Ambassador Program materials back to your organization.

No Cost, but Registration Required: All staff are welcome. Volunteer(s) attending must be accompanied by a supervising representative from your group.

How to Register:

Register on the [Eventbrite page](#)
