

Let's Celebrate
April Health Care Decisions Month!

New Ambassador Workshop and Celebration Packet

Thursday, April 26th, 2018, 9:00-10:30am

Beverly Council on Aging & Senior Community Center • 90 Colon St., Beverly, MA
All Care Providers Welcome. Invite Volunteers to Become Ambassadors!

Co-hosted by
Beverly Council on Aging & Senior Community Center

Come join us for a unique workshop and receive tools to:

- Help adults create a Health Care Proxy & Personal Directive (Living Will)
- Host a Spring health care planning event
- Start a **Health Care Planning Ambassador Program** to empower your volunteers to have peer-to-peer planning discussions and help adults connect to good care. Bring a volunteer to receive first-hand training!

Our Partners & Friends are hosting fun and informational events in April-May for Healthcare Decisions Month. We'll provide event ideas & free tools, and promote your work on our "[Calendar of Events](#)".

Expand Your Reach in the Community with the NEW Health Care Planning Ambassador Program.

Ambassadors are volunteers, staff, board members or any interested community member who can start peer-to-peer planning discussions with adults in your community. It's simple and no cost. We'll supply your group/organization with everything you need so your Ambassadors can confidently talk with your friends, family, colleagues, and fellow congregants about completing a Health Care Proxy and Personal Directive (Living Will). Attendees can bring materials back to your organization to start an Ambassador Program OR *bring volunteers to the workshop for first-hand training.*

Everyone is Welcome! Anyone can become an Ambassador. Let's help all adults & families make a plan and connect to quality care within their language, culture and ability. [Read more and Meet the Ambassadors here.](#)

How to Register:

Register on the [Eventbrite page](#)
