Announcement

April is Health Care Decisions Month. Adults, 18 and older, can join the Honoring Choices MA [12th Annual Health Care Decisions Spring Celebration](#), to download a free Health Care Proxy and Wallet Card. Start to make your plan for good care today and over your lifetime.

It's quick and easy to choose a trusted person to be your Health Care Agent and complete a free MA Health Care Proxy, available in 16 languages. If you get sick and are not able to make care decisions yourself, even for a short time while you get better, your Health Care Agent can step in with the power to get you the care you want. Download and print a do-it-yourself Health Care Proxy, Wallet Card and much more. See the [QUICK START page](#).

Care Professionals can register for a no cost *Health Care Planning Ambassador Training* to confidently engage adults in simple planning conversations. [See the 2025 Events Calendar](#).

Community Groups can distribute the [Who is Your Health Care Agent? Consumer Handout](#), available in 9 languages, to help everyone in your community have equal access to planning tools.

Have a Health Fair coming up? We can send you a free packet of tools to distribute. For more information, contact Ellen DiPaola, edipaola@honoringchoicesmass.com
