

The Power of Partnership:

Strengthening Care for Residents with Substance Use Disorders in Long-Term Care

We are pleased to invite you to the North Central Massachusetts Regional Learning Forum for SUD in LTC. This regional forum offers a valuable opportunity to come together and share ideas and strengthen our collective efforts to support residents with substance use disorders.

Join the Forum:

March 18, 2026 | 1–4 p.m.

Location: Athol Public Library, 568 Main St,
Athol, MA 01331

Check-in begins at 12:45 p.m. Room details and parking instructions will be provided to registered participants.

REGISTER: [Redcap.link/RegionalForumsSUDinLTC](https://redcap.link/RegionalForumsSUDinLTC)

What to Expect:

- **Engaging Guest Speakers:** Hear from experts like Dr. Rossana Lau-Ng, a dedicated geriatric physician at Boston Medical Center who leads the Nursing Home Program and is committed to improving care transitions and treatment for older adults with opioid use disorder.
- **Dynamic Panel Discussions:** Engage in conversations about the key issues affecting long-term care residents with substance use disorders and explore effective strategies for supporting patients through care transitions.
- **Valuable Networking Opportunities:** Connect with fellow providers and care partners to exchange insights, share best practices, and develop lasting collaborations that improve patient care.
